Four Corners Community Bank Announces its 30-Year Mortgage Department Along With Mortgage Loan Officers, Brian and Janice Huffhines

FARMINGTON, NM (January 12, 2016) – Four Corners Community Bank (FCCB) now has a 30-year home mortgage department, adding Conventional Fixed Rate, Federal Housing Administration, Veterans Administration, Adjustable Rate, USDA Rural Development, and Jumbo mortgage loans to its list of loan products. Owner-occupied, second home, and investment property mortgages are also available. Mortgage lenders Brian and Janice Huffhines recently joined FCCB after 22 years of owning and operating Quality Financial Services, Inc.

“Our goal was to provide superior customer service to our clients,” said Janice Huffhines. “Looking back, I truly value the many client and business relationships that we made, and look forward to providing that same level of service at Four Corners Community Bank.” She holds a Bachelor’s of Science degree in business administration with an emphasis in marketing from California State University, Fresno, and a Mortgage Loan Originator (MLO) license. “I really enjoy the process of helping clients through their home purchase or refinance process,” said Janice. “The mortgage lending industry has become more complicated, so I like to keep them informed as the loan progresses. I try to make the process as simple as possible, and explain available options that a borrower qualifies for.”

Brian Huffhines has an extensive background in residential mortgage lending, working with first-time buyers, experienced home owners, and investors. “I enjoy using my experience and industry knowledge to help clients through the home loan process, as well as explaining and matching the different loan programs with customers’ objectives and needs.” Brian holds a Bachelor of Business Administration with a specialty in finance, and a Mortgage Loan Originator (MLO) license.

“Adding a 30-year home mortgage department will truly benefit our customers, and was the missing piece in our loan product line,” said President and CEO, Sheila Mathews. “The Huffhines are the perfect complement to the FCCB family, and are eager to work with new and existing homeowners including refinances.” Full bios of the Huffhines can be found at TheBankForMe.com/our-lending-team.

The Huffhines have three children currently attending college. During their youth, Janice served as treasurer and board member of Farmington High School Booster Club for baseball, basketball, and softball from 2009 to 2015. Brian coached youth basketball and baseball through the Boys and Girls Club and Farmington baseball leagues.
