

Paul Thompson

Board member

President, Walsh Engineering

Paul Thompson is a registered professional engineer in the State of New Mexico, and president of Walsh Engineering in Farmington. He holds a Bachelor of Science in chemical engineering from New Mexico State University. Paul is a 35-year member of the Society of Petroleum Engineers and is a current member of the New Mexico Amigos. He previously served as president of the American Petroleum Institute Chapter and the Independent Petroleum Association of New Mexico, was a member of the Farmington Planning and Zoning Commission, and past president of the San Juan Country Club. Paul and his wife, Leslie, have three sons and two grandsons.
