#### Convenient, No-Hassle Banking

No more daily trips to the bank. Deposit checks right from your desktop.

#### Save Time

No more loss of business "prime time" by you or your employees. Make deposits 24/7 anytime it's convenient for you.

#### Improve Cash Flow

No more checks piling up. Get them in the bank and put that cash to work right away.

#### Lower Risk and Decreased Liability

No more risk of lawsuits and workers' compensation claims from any accidents on the way to the bank. Eliminate risk of theft along the way.

#### Peace of Mind

More time, more productivity, better cash flow, lower risk. With Remote Deposit Capture, the trip to the bank is just one less thing to worry about.

#### Allocate Funds into Multiple Accounts

No paperwork, just a few clicks and you can easily divide your deposit into different accounts.

#### Easy Record-Keeping

Statements are available online and your deposits are recorded immediately.

#### Easy Installation and Use

You can lease or own a single-feed check scanner or a multi-feed check scanner. All you need is an internet-enabled PC with a browser.

With our electronic deposit solution, we're as close as your computer. This innovative service is an extremely convenient and secure way to eliminate the labor-intensive, error-prone, risky process required to make bank deposits. Simply scanning your checks converts them to electronic transactions that are immediately deposited. It's like bringing one of our teller windows to your business. Although we'd enjoy seeing you, eliminating daily drives to the bank to make deposits means your business will be a little "greener." So let your customers keep paying with those familiar checks and let us provide you with a remote deposit solution that will save you time and money.

### With Remote Deposit Capture enjoy:

- No more deposit slips
- No more daily drives to the bank
- Faster deposit credit
- Discover bad checks more quickly
- Extend daily deposit deadlines
